

NORWEGIANS GO WILD IN ALASKA.

Top 10 Reasons to Cruise Alaska with Norwegian.

1. Norwegian has the **newest fleet sailing Alaska** with three exceptional ships providing guests with **the most modern, enjoyable way to sail** along Alaska's waters & ever-changing glaciers.

2. Norwegian is the only cruise line with **Freestyle Cruising®**, which offers **more choice in dining, accommodations and entertainment**, all in a relaxed atmosphere. Freestyle Cruising **lets guests' vacations unfold** with as much adventure or relaxation as they want throughout their cruise. And for guests choosing a Cruisetour, the Freestyle experience continues with **dining options, choices and free time** during land tours.

3. Norwegian **partners with experts** that make guests' experiences authentic — from **the National Park Service ranger** who boards our ship for the tour of Glacier Bay, to our **Cruisetour guides** who call Alaska home. These local Alaskans pass along real-life experiences and adventures to guests for a truly personal perspective.

4. Norwegian is the only cruise line to feature **The Haven** (on Norwegian Pearl & Norwegian Jewel), where accommodations come with **a world of private luxuries**, including **a tranquil courtyard, private pool & sundeck**, plus **24-hour** stateroom service from **personal butlers**.

5. Norwegian offers **more dining choices** in Alaska than any other cruise line, including 2 main dining rooms and up to 20 other dining venues, so guests can **dine in a different venue** every night of their cruise. Plus guests can dress casually if they like, and **dine any time** they like without pre-assigned schedules unless that's what they want.

6. Norwegian's **award-winning entertainment** like the **White Hot Party** and **The Second City** are a hit with guests. Plus **exclusive Nickelodeon™** programming gives families a vacation where they can all get in the spirit of playing and spending time together.

7. Norwegian provides **choices of two 7-day itineraries from Seattle** aboard either Norwegian Pearl or Norwegian Jewel (most cruise lines only offer one option); a **7-day cruise between Whittier and Vancouver** aboard Norwegian Sun showcasing even more of Alaska's coastline; and the option to combine Norwegian Sun's itinerary with a **Cruisetour** of 4, 5 or 6 days.

8. Norwegian's 7-day cruises aboard Norwegian Pearl and Norwegian Jewel out of Seattle are **convenient** for North Americans, both for round-trip air travel within the U.S. and no passports required **for guests (U.S. citizens)** when they visit Victoria with a birth certificate.

9. Norwegian Cruisetours are easy to plan, and provide "best of" land tour options of 4, 5, and 6-days. ALL of the tours include **2 nights in Denali**, transportation in **Alaska Railroad Adventure Class Railcars** (which allow guests to freely move about and dine in the train at their leisure), and are **fully escorted by local Alaskan guides**.

10. The port of Seattle issued Norwegian the **Green Gateway Gold Partner Award** for excellent environmental stewardship.
